“ Lou Ann joined our family when she and my brother, Lee, were married on Nov. 26, 2005. She was one of the most creative people I've ever met. It was amazing how Lou Ann could take what we would think of as bits, pieces and scraps and then use them to create beauty. She "created beauty". I don't think she fully understood her self-worth and, as all of us do at times, felt misplaced in this world. I found her to be a gentle spirit who was always looking for beauty and goodness - in people, in experiences and in the every day. I pray that she left this earth on the wings of angels and has found eternal peace. Sadly Submitted, Joyce Roberts Lima and Family
