“ *I loved Louis! He was a wonderful person. We shared many many moments of laughter over the last 14 years that I have known him. He was an amazing man that loved his family and his country. My family sends their condolences to Barbara Anthony and the Anthony family. May they keep the memories close. ~ Sherrie Hill*

“ *Louis was a renaissance man who could do just about anything. He grew tomatoes, installed fountains, built furniture, refurbished antiques, flew airplanes, restored houses and boats, loved reading and enjoyed cooking. He could pick crabs better than anyone I have ever known.*

He had boyishly good looks, great wit and charm.

He was good to me and my family and we will miss him.

Most of all he loved his family and his children. He was proud to be an American and he served our country well.

It was an honor to know him.

I extend my love and comfort to the Anthony family.
