“ I still remember the first vacation with Louie, telling me to pull up my pants and act like a gentlemen. He was caring and made sure my experience was one I never had. He was a good judge of character and told you how it was. I wish I had more time with him, even though the short time we had together was something special he was someone worth learning his skills and personality. Till this day I realize how much of an influence he had on me and me future family. God I hope he has a glass of Canadian club and club soda in his hand every time I think of him. I'll see you someday Lou. Take care, you are missed badly.

“ *My condolences to the Boisca Family. May you find comfort during this very difficult time in your lives. The loss of a dear loved one is heartbreaking, but we can find comfort from Gods word. John 5:28,29 assures us of a promise made from God that our dear loved ones sleeping in death would hear Jesus voice and come out of their memorial tombs. God promises to resurrect them back to life on a paradise earth where sickness and death will be no more. Revelation 21:4 Isaiah 25:8. What a wonderful promise to look forward to seeing our dear loved ones again.*
