*We are sorry for your loss of a great guy. Billy always talks of when he and Jackie were younger and the family vacations they would all take, and hanging out in school together, he was a good friend. Jackie had a fun loving and giving spirit and he worked hard for his family and community, that is a rare quality. May God give you peace in your time of sorrow.*

“ Jack I will always remember us walking the fields together hunting for Indian artifacts over the years. Some we picked up were perfect some were broken, but we kept them all. I'm glad I helped you get started collecting them. I will miss the talks we had about deer and turkeys when you stopped by. I remember how proud you were of the first turkey you ever killed, didn't take you long to get that old tom. Thanks for good job you did tilling my farm, and keeping our driveway open during the snowstorms. Most of all being my friend.##imported-begin##John Kirby##imported-end##

“ Jack,

*I was sitting here this morning, remembering all the stuff that we did in the past and I starting laughing to myself when I thought of our trip to Tennessee. It was you, me, Lisa, Kristin, Ashley, Jonathan and Candace. First off, I had to follow lead foot (Lisa) traveling 85-95, couldn't keep up,. When we got there we visited Dollywood. When we went in for dinner, they starting brining us our food, you looked at me, I looked at Lisa, all the kids looked at us. You said Op, where are our knives and forks? You asked the man that waited on us for silverware and he told us that we have to eat without silverware. You said, I aint never paid this much for a meal and never had silverware. hahahahahahaha  
I was so funny. Love Op*

“ Lisa, Ashley, Amy & Jonathan,  
*Not a day will go by now that you don't have your wonderful memories and thoughts of Jackie. He was a much loved man, very patient and supportive of his loved ones. You could see it when he was together with you all. Nothing makes sense of these illnesses that take our loved ones away, just have comfort in knowing that you were lucky enough to have loved him and been loved so dearly in return. Prayers and hugs with you all!*

“ To Jack:

*Jack, you don't know how much you meant to the Callahan side of your family. We all loved you and you fit in just fine. We shared our lives together, you suffered when we did, you laughed and cried with all of us. I can remember when you, Lisa, Michael and me went crabbing at cabin creek in the boat the Michael built, a storm was coming up and we have never seen so many crabs come up on that line, we were pulling the line in on that hose puller and there was crabs everywhere and BIG ONES. You really talked about that day. The boat wasn't much to look at, but we sure did catch the crabs didn't we! And, maybe you didn't know it, but I always knew that you went looking for the arrowheads before I got there, because I saw your tracks. That's why I ONLY FOUND A FEW AND YOU FOUND ALL OF THEM.. do you remember when you would say that my footprint was right next to an arrowhead that you found and I didn't. You use to tell me OP, you walked right over it. I can remember when all of our family get together would end up in a ball game, and we would all play. You were great with my kids, Jenna, Calley and Kristin.*

*Jack, I will never forget you and I will help take care of Lisa and Jonathan. I love you. Op###imported-begin###Optie###imported-end##*

“ To the Palmatary Family: We want to take this time to express our deepest smpathy and prayers to all of you in the loss of Jack. What a loss to the farming community and his family. We always ask why these things happen, but never get the answer. Only God knows that question and he will surely be by your side through this difficult time. Make sure you walk with God daily, trust him, live for him and he will make sure you will be loved. We know you have many, many memories that will always remain in your hearts of Jack and God Bless you at this time. Thinking of you and if we can be of any help, we are only a phone call away.
