“ Wow!!! I was asking some of my classmates about Ms. Lovena Waite because she was my algebra teacher at Montgomery Blair HS and I had not seen her since the early 70s. Ms. Waite was always patient and helpful. We had a lot of fun and great times in her class. I was able to apply much of what I learned in algebra during my first job.

*Ms. Waite also wrote a very nice message in my Blair Yearbook, which I have often read over the years.*

*I am deeply saddened at her passing In October Of 2011. I am also sad to have come to learn about this some 3 years later. My deepest sympathies to Mr. Atwell and the rest of the family.*
