

Luther Stewart Nash Jr.

July 31, 1964 - December 10, 2023

Luther Stewart Nash Jr. better known as Chipper or Chip Nash, beloved son of Luther Stewart Nash Sr and Barbara Ann Nash, passed peacefully on December 10, 2023.

His birth on July 31, 1964, with Down Syndrome spurred the formation of Chesterwye Center to improve the lives of many special needs individuals. Chip graduated from Queen Anne's County High School. He was well known in the community by those who volunteer at the Kent Island Volunteer Fire Department, those who met him at Nash's Plant Farm where he worked, and from selling flower baskets at the annual carnival or having breakfast with the men at Hardee's and Burger King.

Chip will always be remembered as a sweet, kind guy who never met anyone he didn't like. He loved dancing, country music and his family.

Chip was preceded in death by his father with whom he was very close. He is survived by his mother Barbara Ann Nash; three sisters, Robin Nash, Tyra Wingard (Matthew) and Stacey Ferreri (Paul); Nephews, Shane Lynch (Ikuyo), Paul Ferreri Jr., and Jason Ferreri; two nieces, Candice Beaubien (Brian) and Heather Ferreri and four great nieces and nephews, Ella Parkinson, Alexandra Beaubien, Declan Beaubien and Skyler Lynch.

A celebration of life will be held on Saturday, January 6, 2024 at 2pm at The Inn at Chesapeake Bay Beach Club. In the meantime, Barbara is accepting visitors and phone calls at her home.

To the Nash family, thanks for allowing Chip to be a part of the Kent Island V.F.D. family. Chip was always cleaning and helping where he could. He always enjoyed our annual banquet with Howard and Mark. What a great bunch of special loving guys.

“ *I had the pleasure to get to know Chip when my parents moved in next door to him and his mother several years ago. He always brought a smile to mine and my children's faces when he would run over for a visit. He would sing and dance for us and show off to me "his girlfriend" by flexing his muscles and doing push ups. Chip will be greatly missed and certainly touched our lives over the few years we were lucky to know him* ”

“ *I'm going to miss you buddy. Your infectious smile, the high fives, the big bear hug every time you greeted me. The toad fish name calling game, but most of all when you called me "my brother". You were one of kind, special person that loved everyone unconditionally, you made every ones lives better just knowing you. The world needs to learn from you. Rest in peace "my brother", rest in peace.*

“ *Chip was a shining star in our community. He showed so many people that persons with disabilities can be part of our community and bring a smile to everyone's face. Chip loved Wheeler. Chip called him The Hulk after one of the Halloween Fundraisers at Chesterwye. They would laugh and hug remembering how Wheeler scared Chip that day so long ago. When Tommy and Kay married the Nash family accepted us as part of their family. It was a pleasure and a privilege to know Chip, his Mom, Dad and sisters. May the Lord who called him home keep him in His Grace. God Bless you Chip.*

“ If you don't believe in ghosts, take this story with a grain of salt. Our family grew up in the old farmhouse next to the yacht club. One night Chip and I were home alone watching tv. I got tired and went to bed while he stayed up. Just as I was falling asleep, I felt a push on my shoulder. It woke me up and I got up to check on Chip. He had fallen asleep, so I got him up and put him to bed then went back to bed myself.

Once again, I was falling asleep and felt a shove. I got up this time to go to the bathroom. Passing Chip's bedroom, I saw he was uncovered and it was a chilly night. So, I covered him and went back to bed again.

The third time I felt that shove, I called out to the ghosts in our house to go cover him themselves because I was tired.

When I think about it now, even the ghosts knew he was special.

“ God bless your family at this difficult time. Chip was an inspiration to all whoever met him, and his legacy will live on for many through Chesterwye. I had the good fortune of growing up around Chip and the Nash family on Kent Island and have many fond memories of those times. Ms Bobby, Robin, Ty, and Stacy my heart goes out to you all.

Bobbi, I'm hadn't seen Chip for a while, but was so sorry to hear of his passing! What a legacy he left to all who were privileged enough to know and love him!

I learned so much from you about being a mother of a special child! Thinking of you and knowing your wonderful memories will provide comfort in the days ahead!
