“ I'm so sorry to hear about your loss. I lived in Severna Park and went to school with Ed. We were in orchestra together, and he used to let me play his cello. Whenever I visit my parents, I drive by the house he used to live in across from our elementary school and think of him.##imported-begin##Rebecca Martin##imported-end##

“ We will all mourn the loss of this truly sweet, funny, helpful and generous man and will miss him a lot. It was wonderful that Emily and Evan came into his life and brought him such happiness.

Whenever I think of him a smile comes to my face, and to my heart, even through tears and I can't think of anything better to leave someone than that. I hope someday I am lucky enough to leave a smile on someone's face and in their heart when they think of me.

Ed, now you can meet my folks and ask them about that letter "e" that seemed so important to you at the end of my name - and when I get there you can tell me all about it. Til then I'll think of you and smile.##imported-begin##Lynn Fowler##imported-end##

“ Whenever I have thought about Ed, a smile has always come to my face, and this week I realized that whenever I think of him I will smile, even through tears. I don't think memories can get any better than that. He was funny, sweet, generous and kind and helpful to us all. He was a good man and a good friend. I am glad that he found such happiness with Emily and Evan who had become the center of his world; he could speak of nothing else since they came along. Ed, I will miss you often and see you when I get there.....##imported-begin##Lynn Fowler##imported-end##

“ I have known Ed since we were five years old - it seems unreal that he is gone. I still remember him wearing a suit to school - all of eleven years old, looking so proud of himself. When I asked him why, he shrugged and said "because I can." His family is in my thoughts and prayers and I am so sorry for their loss. It is never easy but they are surrounded by love and are not alone during this terrible time.##imported-begin##Kelly Martin##imported-end##

“ I am shocked and grieved. I pray for Emily and Evan. Lynn was someone I have known since Elementary school. He was smart and funny. He had a huge heart.

*For twelve long years he and I shared many connections, friendship, being the most important.*

*I cried with him, from a far I am afraid, over his many losses and now I cry for him.*

*I regret that I cannot make the funeral as I have to work, but my thoughts and prayers will be with you Emily and Your son.*

*May god bless you both and greet Lynn in his journey.##imported-begin##Brandy Potter##imported-end##*

“ First I want to say Emily, you and Evan are in my thoughts and prayers. I am Michelle and I have known Ed since we were about 6 years old. He lived up the street from me in Whitney's Landing. We went to junior high and high school together. I am so deeply saddened by his sudden passing. This is just so unbelievable. I wish words could express how sorry I am, and how much he is going to be missed. Ed was always a good guy, and always such a smart butt...! He could make you so mad, but had this way of getting you to forgive him. Kinda like when he shoved me off the community pier and I wanted to strangle him, but looking at him, all we could do was laugh. Again...I am thinking about you and praying for you. May God lift you up, and keep you there.##imported-begin##Michelle Rank##imported-end##

“ Hey Baby,

*Words cannot express how unreal this all seems, how much I would give to just say those three little words again and know that you were hearing them. I still expect you to walk through the door. To have you help me get ready in the mornings so I am not late and make sure I would eat right and drink my ensure's so I would gain weight and telling me how I had to keep myself healthy for Evan. To have you scare me when I was in the shower and make me laugh in the mornings even though I hate mornings and I am a grump. And spending so much time and helping me so much with Evan. He really was Daddy's Baby and he still will be. And I promise he will be a major league baseball player one day just like you wanted. Thanks for all you have given me and how much you have helped me grow, thanks for all the times you have told me I am beautiful and that you are happy I am in your life. Thanks for all your love and thanks most of all for our beautiful baby boy Evan. I truly believe you did everything you could to protect him that terrible day and that is why we can't be with you today. I could keep going on and on, but I love and miss you baby, good bye.##imported-begin##Emily Sipe##imported-end##*

“ When someone we love passes away,  
We ache, but we go on;  
Our dear departed would want us to heal,  
After they are gone.

Grief is a normal way to mend  
The anguish and pain in our hearts;  
We need time to remember and time to mourn,  
Before the recovery starts.

Let's draw together to recuperate,  
As we go through this period of sorrow;  
Let's help each other, with tender care  
To find a brighter tomorrow.##imported-begin##Troy and Gwendolyn Vogel##imported-end##
