“ *We love this picture of Midge! This is the glorious smile that greeted us when we met and became neighbors back in 1993, and the smile that we saw every time we connected since. We are blessed having known her and the entire family for over 23 years and she will be so missed. Please know our love, thoughts and prayers are with you Ed, Ric, Ricky, Nicole, and her fur-ever girl Brit, as well as all the family, grands, and friends at this difficult time. I know our lives are so much better because Midge was in it.*

“ Ed, Ric, Ricky and Nicole, My deepest sympathies to all of you. I know that she cherished each of you. Her grandkids and great grand children were her greatest joy. I am happy that we continued to share our holidays and special times together through the years as "family". I am glad I got to spend some time with her in her last days. She will be greatly missed. Love you all, Suzie (Mom)

“ Aunt Madeline made me feel like I was part of the family. She was always warm and welcoming, as well as generous with her affection and with her home. I'll cherish the many conversations and the memory of the laughter we shared.

Ed, my heart breaks for you. Madeline was one of a kind, and I know you loved each other dearly. Her face would light up and her eyes sparkle when she shared the story of how you first met.

Madeline, Go in Peace, dear friend. Give your wonderful parents Sadie and Ben my warmest regards, and give your brother, Ben, a big hug from me. You are a permanent part of my memory and will live on in my heart.
