“ Dear Girls,
I am so sorry for the loss of your mother. You all gave her excellent care and surrounded her with alot of love, patience and understanding. I will never forget all the summers we had such a blast and all the stories told of the trips. Each and everyone one of you have had to go through alot and I am hoping that you all in the months ahead can rest, deal with your grief and be able to feel that heaviness get lighter and start remembering all the memories she gave each of your families. She was a remarkable MOM.###imported-begin##George and Anne "Candy" Wilson###imported-end##

“ Please accept my heartfelt sympathies in the loss of your dear loved one. How comforting in knowing Almighty God has not only the power but also the desire to resurrect our loved ones. Jesus himself said: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." “ Please accept my condolences on the loss of your mother and for all of the losses in the past few years. I had made plans to attend the viewing tonight, but have had to work late and will not reach Chestertown early enough to stop by in person.

I loved your mother's wit, humor, and grace, and have always been grateful for the happiness and care that all of you gave my Uncle Jack.

She raised wonderful daughters, and I hope good memories will provide comfort.###imported-begin###Cynthia Brown Ingram###imported-end###
