“ *My deepest sympathy for Marcos family and close friends. It breaks my heart to learn of his passing! I knew him from working together at Rams head. Marco was so likable and friendly. Always hard working and a joy to be around! It was such a pleasure knowing him. May he fly high and watch over all his loved ones from above.*

“ *Something about the way he smiled, the way he joked with everyone, and the overall welcoming and open-minded attitude Marco had made him such an incredible person. My time working with him at Rams Head was truly something Ill remember forever as I feel he made quick friends with all of us working together, and he genuinely cared about us, just as we genuinely loved and cared for him. My thoughts and prayers go out to him and his family in this horrible time, and my continued love goes out to him on his journey into the next life. A gift from god taken back too soon.* ”

“ *Marco lit up the room when he first came to Rams Head. We were all just getting to know and love him. He was devoted to work and family and always kept a smile on his face and went the extra mile. We are baffled and heartbroken. You only meet such a person only so often. Very special.*

“ *As a young man in school, Marco always had a smile on his face and was the happiest when helping his dads' family pizza business. He grew up , then became a father to a beautiful daughter . That made him a proud daddy You will be missed by many... whom you have given a kind smile to..... Now you are in Gods' Gentle Hands....and always in our Hearts..*
