“ George and Family and all the surrounding Family Members:

We are sending all of you prayers and love to get through such a difficult time. I enjoyed working with Peggy at Great Oak years ago and knowing her family George and I we still can't believe it. What a wonderful person that would do anything for anybody and a hard worker. Hoping in time the pain lessens and you all know you have an angel looking over you. Our thoughts are with all of you.

“ *George and family*

We are so sorry, we still cannot believe it. I met Peggy in Fairlee Elementary School and were friends since. I know how hard she worked and she loved to cook. But her family was her main love and we all know how much she loved her boys George, Trey and Tyler then Jackson as well as her brothers, Steve, Jimmy, David and Danny. Please know you all are in our thoughts and prayers.

Peg - I want to thank you for always being there for me. You were a true friend. You never hesitated when I needed help to be there for me. When you brought someone into your life you gave them your time, love and support and I consider myself incredibly lucky to be one of those people. Rest in Peace my dear friend. Trey and Tyler no one has to tell you how much she loved you both and Jackson was the apple of her eye. I can still see her face light up when she talked about him. Thinking and praying for all of you.
