“ *We were so saddened to hear the passing of such a beautiful and lively woman. Henry has such fond memories of being on the farm and with the family. Margaret Ann could handle any situation without breaking a sweat. The family matriarch for sure. You never had to question the love that she had for her children, grandchildren and great grandchildren. Thinking of everyone during this time of sorrow but hoping you can get some solace of the wonderful memories you have together. Thoughts of her will always bring a smile to all that knew her.*

Thinking of you all,

The Dodd's

*Sonny and family: What a shock it has been to hear the passing of Margaret Ann. She was one great lady that loved her family and friends. It is hard to understand why people are taken from us so fast, but find comfort in knowing she was a special part of so many lives. Take comfort in those who love will be reunited in eternity. Have hope in tomorrow, have faith in the everlasting and take comfort in the love of friends and family. Our prayers are with you at this time and God Bless. Blessings to all. Margaret Ann you will never for forgotten in our hearts.

Margaret Ann was one of the first people who warmly welcomed us to Carmichael. We went to school with Mary Ruth (Sonny's sister, so we felt an immediate connection) Margaret Ann was a genuinely kind and thoughtful person. We feel blessed to have known her and all the Dodd family. We are so very sorry for their profound loss. Sincerely, The Chlada Family

“ Mrs. Margaret Ann, one of the strongest hardest working women I have ever met. She was a part of our family by heart. She was one of the first to step up when we needed family the most. She helped my parents tremendously through a rough time. She also gave her time with Potter's Kitchen at QAC fair. She was my potato peeling, cleaning up, hard working momma, who worked circles around most of us “babies” (as Mr. Sonny always called us) She will forever be in my heart and be missed by all of us Potter's
