Diane and her family would like to extend their sincere thanks to Dr. David Smith and staff at Bay Hematology Oncology in Easton, MD, for their compassionate and empathic care to their patients. The family would also like to extend their sincere thanks to the Milford Hospice staff for the compassionate care they provided to Diane and her family during her stay.

Funeral services will be private. A celebration of life will be held at a later date for family and friends.

“ Remembering Diane in high school, the girl wearing the latest fashions and always smiling. I was not in her special circle of friends, but in later years, the girls from the SHS Class of 1965, formed a lunch group meeting once a year. We discovered we had mutual friends and it was so nice to have created a special friendship with Diane and all the girls who attended this luncheon and continued this special date, until COVID shut our world down. I am so sorry for your loss, she had such a strong will. God Bless her Family and Friends.

“ Six years of daily togetherness as young girls creates a bond of memories that can never be forgotten. Marriage, children, careers, and time try to separate us but bonds of friendship cannot be broken. We always find our way back to each other. I will always remember the fun times we shared as a group of happy girls and Diane will always be a part of those special memories. Miss you already.

“ As young high school girls we shared many laughs and secrets and so much fun in our little group. I will think of her always and smile as I remember those times and as young mothers our concerns over doing our best. Life, careers and circumstances separate people but in our later years we connected again and she was the same beautiful Diane. Rest easy my friend, you were loved and will be missed.
