“ To all of Patty's family, please accept my condolences on the loss of your wife, mother, grandmother and aunt. I enjoyed our chats on FB also much. We shared quite a few laughs and a few more serious chats about combined health issues. And I want to thank her niece Gina Renee for taking the time to reach out to me privately to let me know of this terrible accident. May she fly high with the angels and horses she will find to love in Heaven's Ranches. RIP my friend ❤️
