“ *From the first day I went home with Susan Hurd from school in the 7th grade, Mom Peg treated me like her daughter. She always had something nice to say, would insist I stay for her delicious home cooked meals, would listen to our petty Jr high and high school problems, and even forgave me when I stained her new blue carpet. She was one of a kind, Mom Peg was my 2nd Mom. She was an amazing, very elegant lady who was so caring and kind. She will be missed and Mom Peg will always be in my heart. My thoughts and prayers are for Susan, Tom, Austin, Chase, Donna, Chris and Kevin as well as their families. Mom Peg, I will love you and remember you always.MJ*
