“ *I have so many fond memories of Peggy. we played together as children. She was so much fun. We played baseball, caught lightning bugs, wrote and performed summer plays played dress up, took long walks and rode our bikes to name a few. Peggy was one year younger than I was. We liked to roller skate and go swimming. She was talented also. She played the piano for school programs and graduations. I was truly blessed to have her for a childhood friend.*

Rest in peace, m^oy dear friend.

“ *Peggy and I have become very close in these last couple years. We first met at LaMotte when I started working there in 2004 but we have been the closest during our retirement years. The shock of losing her will probably never go away but the best memories of our friendship is the laughter which which will stay with me forever. It was important for us to laugh and love as much as possible and we did.*

“ I am sorry to hear of Peggy's passing. I had lost contact once her father passed. Her parents were very dear to me & treated me as a daughter, and in my 20's, some 46 years ago, Peggy & I had a lot of dealings with each other. I always loved & admired her. My deepest heartfelt condolences to Christina, & Doug and Mary and all their family.
