“ *Joanne, Mark and family- What a lovely and fitting tribute to an amazing woman. I feel so fortunate to be able have met “Peggy” later in her life. My memories of her are lovely and vivid. Peggy was vibrant and so alive. She glowed when we shared with me stories about her animals and her family. I was in her company just a handful of times but she treated me as if we were life long friends and the only person in the room. I will always treasure my memories spent with her and remember how she just loved spending time with others and sharing stories. Praying for everyone that you find peace and comfort in the weeks and months ahead. Much Love, fondly, Peggy Draper*
