“ Tommy,

*I am so sad to hear about Missy's illness and death. She didn't mention her illness in her Christmas Card. She is my first cousin, the daughter of a beloved Uncle, and was my childhood friend. Her First Communion photo remains, in my opinion, the most angelic of all.*

*I have never met her children. Please give them my sympathy and tell them their mother was loved by all the Ord family.##imported-begin##Rose Mary (Ord) Dougherty##imported-end##*
