She loved sports, especially baseball, and rarely missed an Orioles game. She loved music, played the guitar in her early years and later piano and organ. Margaret loved holidays and parties and especially loved to decorate for Halloween and Christmas. She was an enthusiastic bird watcher, a hobby introduced to her by her son, and spent many hours watching the birds at her many feeders. She loved flowers and there was rarely a time when she didn't have something blooming.

“ Dear Family of Margaret Tennant

*I would like to express my deepest sympathies in the loss of your loved one. When losing someone we loved this causes both grief and pain. I hope and pray that each of you will find comfort in the fond memories shared with her and in the resurrection hope in the Bible at John 5:28,29 Jesus said:"Do not marvel at this,because the hour is coming in which all those in the memorial tombs will hear his voice and come out."##imported-begin##Delores##imported-end##*
