“ Dear Helen, Marty, Dawn and Carolyn,
I was so sorry to hear of the passing of your mom. When we were growing up she was such a lively character that could always make me smile. Both of your parents raised you girls right and the closeness that you have shared will be a source of strength. May the wonderful memories you have of your mom help sustain you and your families in the days ahead. You are in my thoughts and prayers. “ Helen, Marty, Dawn & Carolyn,
I have a pretty good idea of how much your mom meant to you and you to her. I think everyone that attended her services the last couple of days was touched by the closeness of your family. At the end of the day, that really is what matters and what was important to your mom and dad. I know they would want you to be there for each other. From a personal note, during the many times I spent at your house, your mom always made me feel like it was my own home. It was so much fun, I never wanted to leave. She has passed her sense of humor on to each of you and that is such a blessing and something you will come to depend on in the days ahead. I am so sorry that you are going thru this and know that I am thinking of you. Take care...##imported-begin##Laura Saddler##imported-end##

“ *Helen, Dawn, Marty, and Carolyn,
My heart goes out to all of you and your families at this difficult time.
I know how much you all love your mom. Your mom was a special
lady and for the short time we all spent together I can see part of
her in all of you. So be strong because that's what she would want.

“ To Peggy's family: Our deepest sympathy and thoughts are with you in your loss. Had a chat with your mother at Corsica Hills not long ago. She was fairly well that day. She surely loved her family and you all were first in her life. May God give you the love and strength to face to each day. God Bless you at this time.
