

## Margeret L. "Maggie" Zierfuss

July 19, 2008

Margeret L. "Maggie" Zierfuss, age 68, passed away at the Earl B. Hadlow Hospice Center in Jacksonville Florida on July 19, 2008.

Margeret was born and raised in Tunbridge Wells, England. She served as a lieutenant in the Signal Corps of the Royal Air Force in the late '50s and early '60s.

Maggie treated everyone with dignity and respect. It is because of this that she was loved and respected by so many. These attributes contributed to her development of nurturing programs for which she was internationally revered. Her career began with helping unwed mothers learn how to care for their children. In Maryland and Florida she helped to create programs that taught a wide range of people from unwed mothers to prison inmates how to be better parents for the sake of their children and their children's future. Along with this she worked as a family counselor and taught marriage and family seminars. She was honored by her many successes with Governor citations and invitations to speak to audiences in Europe.

While her commitment to her work with others was unrelenting so was her commitment to her family, as a devoted wife and mother, and to her friends. Her presence and persona allowed for people close to her and even those newly acquainted to her to open up to her and feel completely comfortable talking to her and confiding in her. Her spirit lives on while her smile, happy voice, and laughter will continue to uplift and inspire many of our hearts and minds.

Survivors include her husband of 43 years, Gunter; two sons, Kurt and Karl; sister, Anne; brother Dereck and neice, Andrea; nephews, Adrian and Seyan. A memorial service will be held at Emmanuel Church in Chestertown on August 1st at 11AM.

“ I'm deeply sorry to hear of Maggie's passing but I know she is with our Lord and she surely is making him laugh. I worked with Maggie in Chestertown at a kitchen store and I enjoyed being with her , she had a heart of gold and so caring. If I was ever down Maggie always bought me up! I will never forget Maggie!  
Sincerely,

“ So sorry to hear about Maggie, she was a gem when I worked with her in Centreville in the Multi-Service Center. Loved her laugh and humor. She is playing with her dogs now in heaven and spreading her joy.###imported-begin###Joyce Benton###imported-end##
