“ *I want to say first that I am so extremely sorry for your loss. Lupe had become such a sweet, awesome & amazing friend, God knows I loved her dearly. I will miss all of our laughs & talks & jokes we had. Right from the moment I met her, she & I just clicked & became instant friends. I will so sadly miss this adorable lady ever single day for the rest of my life. Lupe, "my chica", now you will be able to see all 'beautiful' things. Spread your wings & fly high my friend. You are surely missed & loved. I cry everyday for your absence but smile whenever I hear or speak your name. Love you girl. R.I.P., till I see you again. ❤️*
