First and Foremost, i would like to thank My Lord and Saviour Jesus Christ. Mom, was such a Beautiful Woman Inside and Out, although my Heart is Filled with so much Pain, i'm trying to realize that, our Father took you in his Holy Temple. I know Death is a part of life, but i wish i could just have you around for awhile longer. Mom you did the Best job that you could ever do, at raising us, I commend you for all that you gave us. Your smile, and grace was as precious as the morning dew.

To my brothers Sharvin, Terrence , and Lamont. I love ya'll with all my heart, and please get to know Jesus, watch how your life will change, don't call on him in time of need, but call on him to get to know who your Saviour Truly is. To, Man, Bootsy, and Damien, Monica, and Zanae. Your grandmother loved you all so much, this i do know, she talked about ya'll constantly. Remeber her life, and look to the Hills From Whence Your Help Comes.

To my sisters Kim and Lashwanda, Mom, loved ya'll she always would say, i'm proud of my Girls, just remember I am here for all of ya'll. Please get to really know who our living God is. I love ya'll

To my sister Danielle, you was the closet to Mom, i thank you for taking care of our Mother when none of us could. you see God could of made you any profession you wanted to be, but he knew that a Nurse, was your calling becasue, he knew you would have to take care of Mom. when i prayed last night, God, said since you took care of his Daughter (Mom) he;s going to take care of you. Watch the things that are about to happen in your life, IN ABUNDANCE HE SAID. Sorrow may run in our hearts, but the Lords hand is on your shoulders. Mom,said job well done. I love you Sis, stayed prayed up. He loves you, just like i do.

Pastor Guy Jones, and the work in progress family thank you all for the prayers, cards and most of all the Blessing of this annoited man and wife, who presided over my Mothers Funeral. You have a unique gift Pastor, you know what it is. God has already showed you. God bless you and your family. We love Ya'll.

Mr. Gary Fellows and staff, we thank you for making my Mom's Homegoing so special, 27 years ago you laid my Father to rest, and now you do the same for our Mother. Words can not express the thanks we have for you and your staff. You truly are blessed, May God shine his Eternal light on you forever. No one, does any work, and respect that you provide for familys the way you have.

Mom, Rest and keep a watchful eye on us, even as i type this i cry, but I know Joy comes in the Morning. We will Miss you FOREVER. Just know Jesus came it did just for me.
