

Marian Peabody Everdell

December 7, 1981 - June 2, 2010

Marian Peabody Everdell died on June 2, 2010. She was 28.

Born December 7, 1981 in Easton, MD, she was the daughter of Preston and Sarah Jayne Everdell of Centreville, MD. She grew up on the campus of Gunston Day School in Centreville, MD where her parents are teachers, as well as in Sedgwick, Maine. Molly, as she was known, graduated from Kent School in Chestertown, MD, St. George's School in Newport, Rhode Island and attended Washington College, Chesapeake College and College of the Atlantic.

An artist and poet as well as a great sailor, Molly will be remembered for her creativity, and her adventurous and passionate spirit. She was a vivacious, energetic, and charming young woman who, in the end, lost her battle with serious mental illness.

In addition to her parents, she is survived by her brother, Nicholas P. Everdell and his wife, Keara Shea Everdell of New York City. She is also survived by her grandfather, three aunts and uncles, and seven cousins.

In lieu of flowers, donations may be sent to College of the Atlantic, 105 Eden Street, Bar Harbor, Maine, 04609 or Haystack Mountain School of Crafts, P.O. Box 518, Deer Isle, Maine 04627.

Services will be held in Maine at a later date.

Arrangements are by the Fellows, Helfenbein & Newnam Funeral Home, P.A.,

“ *Mr and Mrs Everdell and family you are in my thoughts and prayers. As a student at Gunston I will always remeber Molly as the cute girl who always had a smile on her face. No matter what we may have been going through as students just taking a moment to look at Molly could always bring a smile to our face especially mine. Your family always meant a whole lot to me while I was at Gunston and I want you to know that I am thinking of you and wish you peace during this difficult time.##imported-begin##Donna Bowmaster##imported-end##*

You were an awesome sailing coach and a great friend. You will always be remember and I hope that we get to name the new sailing building after you at Buck's Harbor! Sail Fast!!! We Miss you alot! I bet you are watching over all the kids as they learn how to sail and have the spirit that you had when you were sailing. :)

“ We met Molly a few years ago thru our son Tucker (who is away at sea now and will be saddened to hear of Molly). We enjoyed her visits and lively conversations around the campfire. One day she commented that we should have flowers in the field by the shore. So she scattered wildflower seeds about. We so enjoy the flowers. They will always remind us of her. We are glad she touched our lives.

On behalf of Tucker and his family, our most sincere sympathy. She will be missed.

“ Dear Mr. & Mrs. Everdell,

You don't know us, but when we read your daughter's obituary in the Island Advantages, we felt we needed to give you our heart felt condolences. We lost our son Jason to severe depression in 2007. His interests and talents were so similar to Molly's! We DO know how you feel and what you're going through, and we want you to know that if you are open to it, she will let you know that she's alright. Birds, feathers, cigarette smoke (our son smoked) - many little things will tell you she's with you. And no, we're not crazy, not even weird, but wonderful things have helped us on our own grief journey. You and your family are in our thoughts and prayers.
