“ *My Aunt Marie was a loving person. Growing up with her in my life was wonderful. She was a person I truly loved being around. When she lived near me, we spent a lot of time together and there wasn't anything she wouldn't do for you. It was amazing that she could fix almost anything...maybe not the way it should have been done...but it worked.*

Over the last years I lost track of her but never stopped thinking about her. She was my most favorite and I will miss just knowing sh's not around. I love you Aunt Marie. Rest in Peace. Love Madeline
