“ *My thoughts and prayers go out to you - Mike, Michael and Christy and the rest of the family. I worked with Marie at Driggs for many years. She always had a quick wit and laughter that would resonate to everyone. I'm so glad I had the opportunity to have met her and we were able to share so many memories. I know Marie loved her family and she would want you to remember the good memories in this time of sorrow.*

“ Mick, Michael and Christy- There are just so many memories- where does one begin? So many times of laughter and joking, get togethers, times at the pool, cook outs, parties, weddings. The list is just endless. So many memories we will hold dear in our hearts. You and Marie have been there in so many ways for us. It mean so much for you two to be there for Linda's surgery just three years ago. Our children have always enjoyed getting together with all of you. We will miss Marie more than can be spoken. We love you all and pray for some sort of comfort during this very difficult time. Love- Bob and Linda Mann and Joseph Rodrigues

“ Marie came into my life when I was about 8 years old. I will treasure all of my moments, thoughts and memories all throught the years. We have had nothing but good times and a lot of laughs. You always made sure I was a part of you family and made me feel more than a nephew. We did a lot of things together and went to many places. Marie you were so loving and kind to my family. When I married Linda you made her, Michele, Angela and Jennifer a part of the family. You were always so good and caring to Bobby Jr. You also became close to my grandchildren. You will always be in my heart and part of my life until I meet up with you again. I know you are up there having a lot of laughs because you are back with my dad, and your mom and dad. PS- I always looked up to like a sister more than an aunt. The same with the "big boy" who has been more of a brother than an uncle to me. I will truely miss you. Love, Bobby Mann (Bobbito)

“ *Big Mike, Little Mike, Christy and the rest of the family... You have all been a part of my family since I was four years old. As we on Ardleigh court were so fortunate to have what amounted to so many fathers, mothers, brothers and sisters, Marie's passing hits us all close to home. I am honored that my parents chose Mike and Marie to be my Godparents, and i am thankful to have shared that bond with each of them. I will always remember Marie's smile when I walked in the house to visit Mike, and her laugh every time Mike and/or I said or did something stupid (we heard that laugh a lot). Stay strong and remember that while I am no longer two doors down, I am only a phone call away.*
