“ Dear ones, so very sorry to hear of Marie passing. I heard she had not been well from Brenda but had no idea she had left us. Now she has no problems, no sickness, and no regrets. She is , I'm certain awestruck by the beauty and majesty of her new home as the bible tells us the "eye hasn't nor ear heard not has it entered the heart of man what God has prepared for us". “ Dear Joy,

Please know that you are in our thoughts and prayers at this time of sorrow. Your mother was quite a leader of women and I am sure she was quite proud of the leadership role you have taken in your life.

Such a great loss creates an emptiness in your heart which, in time, will be filled with wonderful memories of times spent with your mom and family. I hope to see you either tonight or Wed. but until then I will recite one of my favorite Psalms and pray for God's strength which you will need to get through the next few days.

Love and blessings,

“ Marie was an incredible, wonderful woman. From high school on through the years she has intertwined in our lives like a rich gold thread in a tapestry. We will miss her kind words, advice, her smile and laughter. She had a realistic outlook on life, and it was always good to talk to her. Our thoughts and prayers go out to all her family. We love you all.

“ Dear Patchett Family:

How sad I was to hear of your mom's passing. She was such a warm, caring and comforting person. When she and my Mom would ride the bus together Mom would always have wonderful stories to share about Marie. Mom enjoyed and looked forward to those trips because of your mother. Hold your memories of her close to you in the times to come. With deepest sympathy,
