

Marilyn "Lynn" Virginia Mann

October 13, 1943 - January 17, 2025

Lynn passed away peacefully at her home in Chester, MD, sister and daughter at her bedside, with her favorite view following a longstanding battle with Congestive Heart Failure. She had also fought ferociously with Charcot-Marie-Tooth Disease (CMT) for most of her life. Lynn was a God-loving and gracious grandmother, mother, daughter, sister, niece and cousin who brought peace and joy to all she met. The daughter of Henry and Marilyn Mann (Goetzel), Lynn is survived by her sister Janet Mann, daughter Kallie (Carroll) Mann and her wife Heather, grandchildren Alexandra and Henry Hochberg, uncle Alan Goetzel and his wife Evonne, cousins Greg Goetzel and his wife Kelly, Kelsey Wilson and her husband Jacin, Amanda Goetzel and her fiancée Nick Groff and Marguerite Pilcher.

Lynn had been a teacher for several years following her graduation from Frostburg State Teachers College (now Frostburg State University). She then began her long career with the Maryland Department of Public Safety and Corrections. After retirement from there, Lynn worked a few years, part-time, for the Public Defender's Office in Cambridge, Maryland.

Lynn was a member of Kent Island Methodist Church. Over the course of her life, she volunteered at various hospitals, churches and the local chapter of the CMT Research Foundation.

When she was able, Lynn loved to travel and had been on a cruise or two, traveled to the Holy Lands, Canada, Florida and Arizona. She had made several trips as well to New Hampshire to spend time with her daughter and the kids.

After her working days, Lynn loved spending time with family and friends, making cards with Janet and their friends, and sitting by her bedroom patio doors, watching all the wildlife they were blessed to have in their backyard on the water.

Please, in lieu of flowers, donations may be made to any of the following: Kent Island Methodist Church, Kent Island Volunteer Fire Department or St. Jude Children's Research Hospital.

I met Ms. Marilyn at the Dorchester Detention Center. I felt like I knew her daughter and her children. That is all she talked about and Janet. She could hardly wait to go to New Hampshire to visit. Or her and Janet had plans to do something. She was a joy to around. RIH Ms. Marilyn

“ I worked with Miss Marilyn at the Office of the Public Defender in Cambridge. It was truly an honor to be her coworker. I regret I am in another jurisdiction and unable to be with you today. May God bless and keep you in this difficult time. Please take great comfort in the thought that she lives in you and in the lives of so many people she touched on her journey through life.

“ Is this Miss Mann who taught at Easton High school on Oxford road? If so I had her in the 7th or 8th grade. I think for math. She explained math to me so I could understand it. Thanks!

“ Lynn trained me when I first started out in the DPSCS at EPRU in Church Hill Md. Forever grateful for her tutelage as my career went on until my retirement in 2016. Lynn was good people and serious about public safety. I have many fond memories of her! May she rest in peace.

“ Marilyn started out as one of my “customers” and over the past 7 years that transformed into becoming one of my dear friends (along with Janet!). Her never wavering optimistic outlook and positive attitude are truly an inspiration and have helped me be a better person. I will miss her dearly and hold the memories of her in my heart forever ♡♡
