“ Dear Members of the Clough family. You may find this message odd by this means as Mr Marion Wilson passed away two years ago. My name is John PULLINGER (you may recognise the name within your family).I was born in Ramsgate Kent in 1949. and through my genealogical searches, I came across a posting by M W Clough in 2012 - concerning Captain Colin PULLINGER circa 1806. I have considerable history of the Pullinger family right back to 1590. We are in fact HUGUENOTS who fled the massacres and persecution in France in 1590. Our branch of the Pullingers is from BOULANGERE - Baker. Our branch is "highly probably" that we are related to Captain Colin PULLINGER (and therefore your family), but there is a blockage with his father Richard born 1734 (for which there is no birth record on FindMyPast). I hope that this message gets to you somehow and it would be great of we can connect and piece together all the various pieces of our joint jig-saw. My E-Mail is john pullinger@hotmail.com.
