“ *We were saddened to hear of Marjorie's passing so soon after her husband Adreon's death last summer. I like to think that they just could not stand to be apart after decades of marriage. I am sorry that Connee & Mark have lost both parents within only 6 months, it is painful to lose your parents.....but we all celebrate what a wonderful life & what warm & loving people they both were. Rest in peace ----we will remember you both for the rest of our lives! Much love, Robin & Gene Caple*

“ *All of us always think of Mrs E with her BIG smile and loving way. She brings a smile and a warm heart whenever we're with her. One of the finest Ladies we've ever known. We would have loved growing up in her Family. The Big E sure was a lucky Man...he knows how blessed he was!*

“ *This is all so sad. We shared many good times with Marge and Adrian at the clubhouse and going to dinner together. Marge was a very social, delightful and pleasant person to be around. I and Louise wish to extend our deepest sympathies to Marge's family.*
