“ *It is hard to say how many lives Mark touched and people he helped during his life by either providing care to someone, teaching them in a class or by just being their friend. I always enjoyed having him as an instructor and most of all enjoyed talking to him about the old days. Mark fulfilled his duties in life and will be greatly missed by many. Rest in peace brother!*

“ *The Gates to God and his Son Jesus swung wide open and Mark was in their arms immediately. They soothed him, took away his pain and filled his whole being and soul with love. They said to him, ' No Cash needed here Mark. You got here today by being Pure and such a Strong Leader in your love and belief in Jesus'. Earth is a more empty and sadder world without you! “ *So Mark you were correct - I'm older than you but not by much 😊 you were there for me after my divorce, you and Kathy helping me find a home, being a true consoling dear friend when Annie and then 5 years later Bobby passed, taking me to doctor appointments, and designated driver for the craziness combo of your wife and I at many fun restaurant outings. I also appreciated your kindness and care regarding my daughters. I will miss your quiet humor, your many words of wisdom, and telling me that I was the oldest person in the room -not always true (ha), but still consistently funny !!! My good friend I'll miss you - we had that special bond of our only sibling having Cerebral Palsy and with the passing of our parents - we became the parent and our love for them, well, we certainly did our best and then some. My deepest condolences 🌸 to my sister/ friend Kathy, my surrogate daughters, Melissa and Sarah, the wonderful boys -Landon and Jackson. My sympathy also to Jenny, Rosie, and Andy and their families. Your dad's legacy will live on! He was truly a gift to all of us who were Blessed to have had him in our life! RIP my dear friend Mark . I know you are UP there telling GOD that HE is the oldest person in the room - now on that matter, you would be correct 😊 LovePatti - thanks for always telling me that I was Family. Ditto!*

“ Mark was one of the first career paramedics I had the pleasure of meeting as a volunteer at Cape St. Claire Fire Dept. He was always a kind and helpful gentleman. Mark was a pleasure to work with and I looked forward to seeing him on the next call. We had some crazy calls though the years, but through it all, he was never without a kind word or deed for someone. When he needed extra hands in the back of the unit, he would usually ask me to drive their rig, he figured out I was a decent driver and could get them to the hospital in one piece. We remained friends throughout the years as he moved up the ranks. I was always greeted with a cheery hello every time I saw his smiling face. Rest easy my friend, we'll take it from here. Save a seat at the table for me.

“ Mark was a generous and kind man who always was thinking of others. His life was a reflection of Jesus and He loved the Book of James. He and Kathy always opened their home to anyone needing a place to fellowship or a meal or friend. Everyone was made to feel like family. We will all miss you Mark and ONE DAY, will fellowship with you again. Thanks for loving us.

“ Mark has been a great and dear friend for decades. We met as a result of my becoming an EMT and later EMT instructor. Worked with Mark on EMS calls in AA County and as instructors for MFRI. When he was EMS 1 he would sometimes call and ask if the coffee was on and he would stop by for a cup when it was quiet. He had a heart of pure gold, a trait the world so dearly needs. Mark, the coffee will always be on for you. Jack Hulet
