“ *Melinda,
I worked with you very briefly, but was so impressed with your
energy and dedication to your profession, that I have no doubt of
your devotion as a mother. I was so saddened for you upon hearing
of your son's death, and my heart aches for you.*

*I understand the depths of despair you are dealing with, having lost
my son last year. If you ever want to cry with me, or talk with me
about your son, I would gladly be a shoulder for you, now, or even a
year from now.*

Please know that you are close in my thoughts and prayers.

Sincerely,
