“ *Doug, Renee and family,*

I was so very sorry to hear of your loss. I was fortunate enough to know Mrs, Martha from working at Memorial Hospital and also knew quite a bit of the Edsall family. Your family certainly set the example of how families should be and I am sure it has alot to do with her. You are all in my thoughts and prayers!

“ I was privileged to have worked with Martha at the Child Development Center at Memorial Hospital at Easton. She was a loving and kind person and loved all the children she cared for. My heart goes out to her family, most especially Doug and Renee who I knew from my tenure at the child development center. You are in my thoughts.

“ *Mrs. Edsall was my second Mom, especially in my younger years when Gary & I were inseparable. She always made sure that I felt at home when I was at their house. I always knew she was a kind, fair person but didn't really appreciate it until I had gotten older. She had that special kindness about her that I found comforting when ever I talked to her. I'm celebrating her life by remembering all the good times!!! She will be missed but her light shines on!*

“ *I worked with Martha at Mt. Pleasant Elem. School. Our sons went to school together. We left Easton in 2003. Last year in November we were visiting Easton and ran into Gary Sr. at the 7-11 store. He was telling me about Martha's memory problems. Then I found out she was in the car outside. Gary wasn't sure if she would remember, but ,much to our surprise, she talked and laughed and remembered. I was so happy to see her and felt so good that she could talk about old times.*

She was a lovely person who always had a smile for everyone. Our prayers are with the family. You were very fortunate to have her in your lives. Margaret & Ralph Hollingshead

“ *Mom...you inspired me to be the best that I could be, no matter what path I chose to take. I will always remember you as cook, doctor, psychiatrist, cheerleader, and minister. Knowing that you've finally found peace has made me do the same. I couldn't have had a better mother.*
