“ I had only got to know Martin since the opening the Chestertown store. It was a pleasure to have got to know him in a short time. His memorizing live stories were just unbelievable and will miss the next stories. I had made new a friend and it was like I knew him in a live time. I had also purchased a firearm from him at a wonderful fair price. My profound sympathy to his love ones for their lose. May Martin Rest In Peace. Also if I can help, just ask. God Bless.

“ I never knew Martin, but I know his wonderful daughter, Rachel. She has always talked fondly of her father and her love for him. I pray the family receives peace in knowing God only takes the best and that he is loved in heaven as he was on earth. Prayers to his family.
