“ *I had the pleasure of being his nurse on several occasions. He always brightened my day. I brought in my Apple TV around Christmastime and we watched White Christmas and It's A Wonderful Life in the common area. He always had a smile on his face. I will miss him greatly!*

“ He was a Son, Brother, He is a Marine, Husband, Son-in Law, Father, Grandfather, Great-Grandfather, Uncle, and a good friend. His favorite color was red, he liked cars and he never missed a day of work.

Let me tell you a few of my favorite stories from when I was growing up....

I asked him what he did when he was in the Marines, he said he peeled potatoes. Now we all know that my dad didn't cook. He was proud that he managed to only use one burner on his new stove and that the oven had never been used.

He went to All Saints Catholic School, one day he wore a red shirt (not his uniform). The Sister told him if he wore that shirt to school again she would send him home....you know he did.

My father loved cars, his Uncle Joe, either owned or worked at Ford Dealer ship that he and I would visit often. Back in 60's when it wasn't popular to own a foreign car he bought a red V.W. Bug. His friends in the neighborhood, put it on the sidewalk on Halloween, they buried it in the snow. I cant remember how long he kept that car before he admitted defeat.

.If you were my dad's friend, he was your friend for life. And one of his life long friends is Betty Dorn (Luba).( I am not sure if she is still with us, but I do know that he visited her a little over a year ago) They met when they were about three years old, They were neighbors on Liberty Road in Randallstown. And remained friends throughout their whole lives.

There are many more stores, I am sure. If you knew my father and have a story to share please do, we would love to read them.

My heart is broken and I miss him

*Love, Sharon*

*I am Betty Dorn's daughter and yes Roland was my mother's lifelong friend. He also became close friends with my father. I don't remember ever going over a week without seeing Roland. He would stop by our house during his lunch breaks. When he would leave he always said "see you in the funny papers" and I thought that was hysterical. One of my fondest memories was camping with him and my father at Crows Nest in Thurmont MD. I love camping to this day. Roland will be truly missed! My thoughts and prayers go out to all who loved him. Gods Peace*
