“ Dearest Martin! It has been seventeen years since You left us, but You are in my Heart and I think of You quite often. It is 1:20 a.m., November 16, 2023. Yesterday, I brought out the Vintage Waffle Iron You gave me to make my Waffle Remembrance Supper in Honor of You and I lit a candle, placed it next to your Miami boating picture and remembered our wonderful times together. Very few people in my 75 years have touched me as You have. Your Big Heart, Big Smile, Zest for the Outdoors, Knowledge and Life, just the Best. I know your Spirit lives on in the Universe and I wish You only the Best of what the Universe holds. Your Friend Forever!  
Love, Ralph
