“ We met Marv Stursa in 1974 in Minnesota and he agreed to join Powerscreen International soon after. He moved to the East Coast and he quickly became one of Powerscreen’s key distributors. Marv was a great salesman and a great character. He was fundamental to the early growth of Powerscreen in US in the early days and we will always remember him fondly and with much gratitude. We offer our sincere sympathies to Marv’s wife and family.
