Fran and Bob were the first people to invite us to eat with them when we moved into Londonderry. We had many meals with them.

Fran and Bob sat behind me at morning mass at SSPP for many years. However, I first met Fran when she was the exercise class instructor at the Y pool on Peach Blossom. In her thoughtfulness, Fran gave me a large green cross, which had been given to her from a friend when she became a Eucharistic Minister. We agreed that when I no longer could perform as a EM that I would pass that cross on to a newbie. May her soul rest in peace. God's blessing to her and her family.

“ *First met Fran Baker at Union Memorial School of Nursing where she was assistant director in 1970. Years later to my surprise she began working at Easton Memorial Hospital where she said she had married and moved here. Many memories!*
