“ *My heart is broken and my insides are empty! Mary Beth was one of the most passionate, vivacious, dedicated people I have ever met! I had the pleasure of serving on the Kent County Multi Disciplinary Committee with her and if she didn't have a solution to a problem, she would research it until she did, although that was rare. My deepest sympathy to her family and her adorable little girl! May God wrap his loving arms around all of you and bring you comfort at this sad time!*

“ Seeing all of the posts, tributes and love for MBB makes all of this real. Thing is, to me, she remains with her contagious smile, wittiest of the witty chatter and empathy for family, friends and strangers alike. She certainly impacts my life daily by standing in my corner when few others did. Forever I am grateful. Much love for her, for you.

“ I first met Mary Beth when she moved next door to me . We became friends when she was pregnant with Lizzie and lost her . We became better friends after Annelise was born . Mary Beth always had a smile on her face no matter what life was throwing at her ,she was an awesome Mom ,sister,daughter, friend to all who knew her . Her little antidotes on Facebook with Annelise always made me smile. I will miss them but not more than I will miss her. She was looking forward to only having one more year of school so she could pursue all of her dreams and make a better life for her and her precious child. I still cannot believe that God called such a wonderful precious lady home. I am so sorry for all of her family n friends she will be very missed .

“ I am still not accepting of this...MBB and I initially worked together for many years. We both left that agency and became colleagues again when she went to Mid Shore. I am truly sorry and pray for her family, her daughter and her Mid Shore Family! MBB was also so nice and had the most memorable smile. I will never forget her love for Wu-Tang and her optimism to always look at the glass half full!! Rest well MBB!!!

“ I knew Mary Beth as her teacher in the social work program. She was the best prepared, most on-top-of-what-was-going-on student from day one. She was smart, funny, and compassionate. She taught me and her classmates about life in her world with clients and agencies. I am stunned by the news of her death. I wish her family comfort and blessings.

“ I remember meeting Marybeth for the first time at CCI in Chestertown, she was young, 18 maybe. I was taken aback by her beauty and then by her friendly nature. Marybeth had a wonderful sense of humor and we shared many fun times together at CCI. I really got to know Marybeth when at a conference in Boston, she was very pregnant with Lizzie. Was with her through her grief after Lizzie's death and then her joy with the birth of Anneliese. Life went on and Marybeth moved on to another job, but I was able to keep in touch with Face Book. I am so sorry for Marybeth's family and the world, to have lost such a wonderful person. RIP my friend. Love Sylvia

“ *The passing of Mary Beth is such a tragic loss.*

She was such an impressive young woman, as a Mom, a daughter, a sister, a friend to many & a very capable, hardworking & dedicated social worker doing so much good in communities that need help.
