Born on August 21, 1972, in Chestertown, MD, she was the daughter of James Carroll and Debora A. George Shelton of Millington, MD. Mary worked at Parkside Deli in Sudlersville until 2011 when her health forced her to stop. “ I would like to share my deepest condolences to the entire family! I know how much you all loved Mary. Mary was an Angel in disguise! I loved her like a daughter of mine!! Mary and I first met through Home Interiors and she was pregnant with the twins. Oh what glory they were to her. Mary has gained her wings and will join her son. Mary will be the Angel overlooking us daily. I can just see her now shaking her finger at us telling us we better straighten up!

“ Oh Mary....I just cannot believe I am sitting here looking at this picture and writing this. I keep popping on your Facebook page waiting for this huge post to say "GOTCHA" to be written by you. I just can't believe this is real. I watched your beloved Yankees beat my Orioles tonight and just knew you had a hand in it all while laughing at me. I'll let you have this one game though. But that's it! Debbie and Bennie, Mike, Will, Matty, and yes, India and RJ....I cannot even begin to imagine what you are feeling or going through. The pain must be awful and deep and seem as though it will never end. There are just no words that will help, no well meaning sentiments to help you get through. In time, maybe. But right now.....just no. All I can tell you right now is through all my tears she is still occasionally make me smile when I think about her silliness and funny ways. She could always make me smile with her secret comments we would share back and forth. I promise, I won't make those public. But do know this.....she was loved. Very loved. And she loved you all with no shame and she was quick to tell everyone she knew. Never doubt that for a minute. And that will never end. It just comes in a different way now. My heart is with you in the coming days, weeks and months.

“Wow Mary, I'm hardly ever without a loss for words, but I have been since I heard of your passing. It was a great pleasure of knowing you and having you in my life! Thank you for all you have ever done, not only for me, but for all of us!! Thank you for taking care of Ashley when she started school. You were the assistant and you always had such a glow with the smile of yours. You're a true blessing and I was blessed and honored to call you my friend!!! I will never ever forget you! You were such a caring, kind-hearted person!! I am so sorry I didn't take time to come see you while you were in the hospital, a regret I will always have to live with. I am so sorry for the pain you've had to go through.

I still can't believe this is real! I just want to wake up and someone tell me I was dreaming. Go rest high on that mountain, sweetie, and fly high with the angels. Until we see each other again, I love you Mary!!

To Mary's family, I am so very sorry for your loss of such a precious daughter, mother, sister, friend. I know she loved her family and was so very proud of her boys! As you know Mary was a pleasure to have in our lives. Please know that I am here for each of you if you need anything. All of you are in my thoughts and prayers!
