“ *Mary and I were friends in Annapolis when our children were growing up. We had so much fun playing tennis and sitting by the Anchorage pool. It has been years since we seen each other. Her picture looks just like I remember her. She was a sweet, kind person and a very loving parent. The world will be sadder for the loss of her beautiful soul. Joann Mendes*

“ *I was so sad to hear of your Mom's passing. I was reminded of her and my Mom's great friendship they had when I was little. They were so much a like in their love of family. I remember walking down the street many times so my brother Tom and sister Jill could play with Kyle and Sandy. Mom and Mrs Foss always were close by watching and busy talking and laughing. That is the wonderful sound I remember. The two of them with such honest laughter, such kind and loving Moms.*
