“ She was the best, if anyone gets to Heaven it will be my friend Virginia. If you were her friend, you were her friend. So many beautiful memories flow through my mind as I think of her and John tonight.

“ You were the best and always had a smile with those bright beautiful eyes to share. I remember I said I didn't like sweet potatoes and you said "I will bake them and load them with butter.....You will like them" To this day i will eat sweet potatoes fried, yams, baked, mashed. You were so special. Thanks you for always being that bright light. Richard sent me a text saying "God bless her" <3 Darlene Rodgers Lavelle and Richard McIntyre

“ You were the best Grandma anyone could ask for. I am so honored you were in my life almost 40 years and that you got to meet your Great Granddaughter June. I will be sure to have a crab feast every year in memory of you. Rest easy, you are back in the Grandads arms now, I love you always.
