“ *To Dave and Rita and Family,
My condolences to all of you on Mary's passing. Her life is definitely one to be celebrated. She touched the lives of so many children and teachers in a very positive way. I will always be grateful for the help she gave me as a young teacher in the county. The meetings she conducted for elementary music teachers were always so joyful and uplifting with everyone singing and sharing ideas She was so enthusiastic and inspiring.. You chose the perfect picture to put in the paper. it's hard to believe that she was 104. I'll always remember her very fondly and gratefully.
I hope you are all doing well; Take care.*
