“ I remember going to see Dr. Tom Maloney as a kid when I'd get strep throat every single winter. Even as a young adult when I was between jobs (and insurance) Dr. Tom Maloney took the time to diagnose an appendicitis and get me to the hospital immediately. I didn't see Dr. Mary much but my Mother did and she always spoke highly of both Dr. Tom and Dr. Mary. I know they helped her tremendously with keeping her 14 children in good health. Both doctors were kind and generous souls.
My sincere condolences to the Maloney family. Rest in peace Dr. Mary.

Both Dr Mary and Dr Tom were wonderful and generous in caring for us. When we would need physicals for school sports, after all the exams, we were charged for only one and sometimes not even one. We never worried about going to the doctors. May Dr Mary rest in peace with Dr Tom and all the other angels. Terry (Trimble) Prosise

“ Both Drs. Mary and Tom cared for many, many families in the Landover Hills/Hyattsville area. Also were long time parishioners of St. Mary's Parish in Landover Hills. Thank you for all the care that you provided to so many people. Yes, I remember the house calls. Condolences to the entire Maloney family
