“ *Aunt Mary was so special to me. She was the thread that kept our family together. Her love for all of us was unconditional. I can't remember a time when she didn't drop a card in the mail or call you when there was a momentous occasion or a difficult time in your life. She was an example to me of how to be an encourager even if you were miles away. I will never forget how Aunt Mary and Uncle Larry were a place of refuge for me. Mom and dad were going through a rough time and I was not handling things well. They invited me to come and spend some time with them during the summer. I had the time of my life with them and Marty and Terry. It was also the first time I learned people eat chicken livers. I did not want to leave their home. I prayed often that I could go and stay with them. I learned a lot from Aunt Mary in how to be a better mom. I am so sorry that I never got to share this with her! My life has been forever blessed by Aunt Mary and I pray that I can make a positive difference in someone's life like she made in mine. I love you Aunt Mary!*

“ To Uncle Larry and all my cousins. I'm sorry it was Aunt Mary's time to go to Heaven because I know how much she'll be missed by all of you and the rest of our family. I loved Aunt Mary's spunk, telling it like it is in that kind of matter-of-fact way, and her great sense of humor. I always enjoyed the visits to her house where I had a bunch of cousins to hang out with, either on our way to the beach or way home from the beach. Majority of those were when I was younger but still made trips when I got older with my Mom, just to visit. Her and her sisters were/are the kind of people that really stood out (in a great way), the kind you miss dearly.

I'm very sorry that I won't be able to make her viewing or funeral, but I'm starting a new job Monday and with having to help my son get his 3hrs of homework done, it's just too much for me to try to get there. I really wish that I could be there, but will be there in spirit. Love to all and I'll keep you all in my prayers, to help you all get through this. And remember that she'll be another Guardian Angel watching over you and I'm sure she'll be partying with her sisters and brothers.

“ To the Morris Family: We send our prayers and love to the family in the loss of Mary. She was a faithful supporter of the United Methodist Women for many years. Always loved to help with the bazaars and buying her chicken salad and vegetable soup to take home. God will be with you and keep your hearts filled with her many memories. God Bless, Centreville United Methodist Women

“ *When I think of Aunt Mary, the word "hospitality" comes to mind. She loved people---having company, visiting others, getting people together. I still remember the first family reunion she put together and how much fun we all had. I also am grateful for how good a friend she was to my Mom. Rest in peace, Aunt Mary. Mike and Mary Lou Jones*
