My deepest sympathy to you. Aunt Becky was one of my favorites at the Councell family reunions. Although I only saw her once a year, her smiling face and joyfulness was so heart warming. She was such a role model for me. May God wrap his loving arms around and comfort you.

“ One of the most wonderful human beings any of us will ever be associated with. Yesterday we lost a true light in this world, but now have a great angel looking over us. Mommom always showered us (Maria, Angelina and I) with so much unconditional love it is unfathomable. We will always cherish the time we had with her and are blessed we have had her for such a long time.

I have many great memories, but one of my favorites was in the early 1990s when I went to visit her and Poppop in Florida for a week and they took me everywhere. As we all know Mommom she wanted to take pictures everywhere we went. She must have taken over a hundred by the end of the week. We met Uncle Bunk at the Rodeo in Kissimee St Cloud at the end of the week and she asked him to take a photo of us for her. Uncle Bunk went to take the photo, and that's when he informed Mommom she had no film in the camera. She was so upset, but we all got a good laugh for many years.

Mommom we Love you and will miss you, but will never forget all the great ways you have touched our lives.

Love,

Scott
