“ To: Terry and your brother and sisters: I am so sorry to hear of the passing of your Mom. She was a dear friend to me, as you all were back when we were playing ball together and when Pat and I built the home in Betterton. She helped me plant trees and gently encouraged me to put the trees further away from the house in order to give them room to grow. That is what she did, she encouraged those she cared about to grow. I remember how excited she would be when her girls had a "hit". She never missed a game, back when playing in the women's league was fun. She was a regal lady who loved her family and friends and offered advice, when asked, without being judgmental. A real gift. She will be missed.

“ To all the Spry Family,
Words can't be expressed enough of what a wonderful mother all of you had. George has so wonderful memories with her and your family. Please know that God is taking care of her and she is your angel looking over you. Her life was everyone of you and she cherrished every minute. George and I will be flying out and unable to attend the services but we hope all of you know she held a special place for our family and that we hope in time you all can lean on each other to deal with the grief and pain. Please know that we are holding all of you in our prayers.
Love,
George and Candy Wilson
