So sorry Ricky and Wade for the loss of your precious Mom. My heart is glad to read that she is with our Lord and Savior singing and dancing! I had the opportunity to chat with her as one of the mosquitio sprayers for Windy Hill when the driver couldn't make it out there. Sending my love to the family!! Sandy McDonald-Gondeck

Sincere condolences to the Strickland family. She was a neighborhood staple , especially making sure the bug sprayer did his job. . I will miss seeing her on her drive to and from work and her holiday jellies. . Sending our love- The Edwards

Miss Mary Ann you will truly be missed. We going to miss all of that homemade jelly. She would always cover Dontre's shift at work and call to remind him. She had some much wisdom and such a loving spirit. Prayers for
the family during this difficult time. Rest easy no more pain. Love Dontre and Family ❤️

Mrs. Strickland the newest angel to enter God's kingdom from our family! I got the pleasure of only meeting the woman a few times but her character, integrity, love, will never be forgotten. Mrs. Strickland was a loving woman that enjoyed working and helping people, but the hardest part about losing someone like this is how many families it truly hurts. Grandma Strickland has changed many lives for the best and will be truly missed. As we all mourn and losing someone so powerful and so loving to all of our families we must hold onto the greatness she left behind before entering the Lord's Kingdom!! Grandma Strickland I pray that while you're resting in paradise and look over how many people love you, you know you were amazing to us ALL and you can please take a rest now! We love you and will forever miss you grandma!!

What a sweet lady. She certainly took care of me when we worked at the hospital together. Always covering my back do I could get out in time. And she always brought goodies. She was amazing. She will be missed. But she is rejoicing. God bless the family and prayers being sent.

No words can express how much Mary will be missed. I worked with her at Dorchester Hospital and she never took no stuff from anyone but was always willing to help. She was dedicated worker but most of all she loved her family always talking about them, showing pictures that smile said it all. Prayers for family she was special and you all were blessed❤️🌸🌺

She was a force. I was so grateful, as a fellow grandmother, for her dedication, love, firm direction, guidance and support of our grandchildren. She had wisdom and a great sense of humor. We were all blessed to have her in our lives. Rest in peace dear friend.
