“ I remember I was a younger and a little out going I walked into Mary Supple's house for the first time and I opened her fridge and took out a cold drink and started drinking it. Mary Supple looked over at me with this Stern look but then smiled and said please help yourself what ever you ever want help your self. So me being me a little out going I turn around and opened the fridge and grabbed a large chicken breast out the fridge and starting eating and she looked over at Mr Russell Supple and said I guess he made himself at home!!! After that I never left coming back. The Supple family made me feel at home and it made me be a better person in life!!! I thank God the Mary Supple opened her fridge to me it made me feel there was people out there that still help people. She will be missed, she will be respected, and she will always be my friend!!! Thanks Mary

So very sorry for the loss of one of my favorite Aunts. So many fond memories of her as a child from sleepovers with my favorite cousins and their pool in the backyard. I remember her being such a fabulous cook too. That Seafood gumbo! I hope you got the recipe Scott! Rest In Peace Aunt Mary, you will be missed for sure!

“ I just want to talk about that important person I lost two nights ago. Her name was Mary. She was my mother's best friend. She was my second mother. I vividly remember being inconsolable at my mother's funeral. Then Mary wrapped her loving arms around me and let me cry. I had just told her. I don't have a mother anymore. Her reply to me was "As long as I have breath, you will have a mother". Those words meant so much more to me than anything. Those words kept me going the last 20yrs of my life. I have wonderful memories of her including us as family and taking my children as her grandchildren. The Christmases, her yummy crab cakes, seafood chowder and MD crab soup. She loved enormously, generously and passionately. Her heart was so huge. Memories of her fill my mind and heart to overflowing. Not having much contact with her since we moved to Wisconsin was so hard. We never really had the opportunity to say goodbye because of the circumstances of our moving rather quickly. Which I greatly regret. She never got to meet her adopted great grandson Eli. Losing her has left a huge hole in my heart that I don't think can be fixed. Sending my love and prayers to her family; my adopted brothers and sisters. I love you all so much along with all my sweet adopted nieces and nephews. I feel your great loss. Your mom/mamaw was an incredibly loving and generous Godly woman who made a huge difference in my life. She will live eternally in my heart and will painfully missed.💔💔💔💔
