“ Many will miss Mary Lou for many reasons including those she so generously mentored during her real estate career. I remember her driving a bunch of us around Kent Island and beyond and the wonderful narrative about "so and so lives there and they married so and so and moved to there....." Plus, the history of the area in great detail. Later years, Mary Lou and a few friends celebrated her Hallowe'en birthday each October 31st at Fisherman's Inn and our own throughout the year. She would always share her jelly and fresh figs and loved gifs of chocolate! Thank you dear Mary Louy for your kindness and friendship. Bev Coyne

“ I meant Mary Lou In 1976. We worked together in Real Estate. Through the years we always kept in touch and she loved fresh produce. She bought many peaches and strawberries from us to make her jam’s every year and gave many as gifts. She was a kind and caring lady! We will miss her!

“ Ms. Mary Lou was an amazing lady! We were blessed to sit behind her at Calvary UMC, but also got to know her when Calvin and my grandfather, Tom, were roommates at Corsica Hills. She and my grandmother were good company together during such a difficult time. To her family, you are in my prayers.
